An aerial photograph of a residential development. The buildings are modern, two-story structures with white walls and grey roofs. They are arranged in a row, with a paved road and a blue corrugated metal fence in the foreground. In the background, there is a commercial area with a 'BUBURA' store and other buildings. A red text box is overlaid on the left side of the image, containing text in Indonesian. A red arrow points from the text box to a manhole cover on the road.
