Koridor Infrastruktur (BKI), Melaka.

2.0 Background The Sports and Welfare Club of Bahagian Koridor Infrastruktur (BKI), Melaka will be organising a bowling tournament on 18-08-22 at Melaka International Bowling Centre. BKI is seeking donation from TIME for its expenses for the tournament. BKI is one of the approving parties for wayleave permit application in Melaka.

3.0 Justifications In order to continue building up our rapport and good relationship with BKI, it is justified to give them a small amount of donation.

4.0 Current Issues Currently we are liaising with BKI and expecting 15 wayleave permits from them.

5.0 Project Benefit To build rapport and to show our support to BKI's sport activities. In return we expect a good cooperation from BKI in wayleave permit issuance process. In some previous cases we have been benefited from our good rapport with BKI that related to wayleave permit applications.

6.0 Project Risk It will cost us a relatively small amount of spending.
