TM Technology Services Sdn Bhd
Level 51, Menara TM
50672 Kuala Lumpur

Dear Sir / Madam,

Account No: 1054054729

We hereby would like to authorize Mimi Wong Siew Chern bearing IC No: 620926-04-5278 to act on behalf of the company.

The road in front of our office was dug to lay cables by TM few months ago. Although the road was patched up, now there are big and deep pot-holes which can cause damage to vehicles. On rainy days, when the road is wet and the pot-holes are submerged in water, motor-cyclists can ride into them and meet with accidents.

Please expedite the repair of this stretch of road before any accidents happen.

Thank you for your kind consideration and quick action.

Yours faithfully,

Tan Kiat Sing
Managing Director
